## CASTORIA

### Just Half in Bed.

Clyde, Ky.—Mrs. I. A. Decker: "I recommend Cardui, the woman's tonic, to any woman in need of a remedy. For five years, I was unable to do my own work. Half my time was spent in bed. At last I tried Cardui. Now I am well and happy, and can do my own work. Don't suffer from pain, headache, backache, and other womanly miseries. When your own druggist has on his shelf a remedy for such troubles—Cardui. Get a bottle for yourself. As a general tonic, for weak women, nothing has been found for 50 years that would take its place. Try it. It will help you.—Advertisement.

### His Gratitude.

A collector of subscriptions for the brass-band fund once came across a farmer who was noted for his meanness. To his surprise the farmer at once consented to subscribe fully as large a sum as any he had yet received. "Mr. Hardist," he said, addressing the farmer, "you are surely very fond of music, to give so much?" "Oh, yes," said the farmer; "they're grand for scaring the crows from my 'laties when they're practicin', an' I'm grateful."—London Tit-Bits.

### Why Endure Summer Colds?

It isn't necessary to have a stuffy head, running nose. To cough your head off as it were. All you need to do is to use Dr. Bell's Pine Tar-Honey. The soothing and healing balsam open the clogged air passages and in a short time you get relief and start on the road to recovery. Your nose stops running, you cough less and you know you are getting better. Get a bottle, use as directed. Keep what is left as a cough and cold insurance.—Advertisement.

### Street of Authors.

It would be interesting to know the name of the lover of the "Vicar of Wakefield" who sought to show his affection for this classic tale in naming the streets which lie about the old parish church of Leyton. For we find here streets named after Goldsmith, Oliver, Thornhill, Wilmott, Burchell, Primrose and Sojula. Probably Bath of all towns has paid the most liberal tribute to the famous in its street nomenclature. Its roads, avenues, places and rows commemorate the names of Shakespeare, Kipling, Milton, Longfellow, Chaucer, Shelley, Tennyson, Byron, Macaulay, Nelson, Fielding, Landseer, Rosebery, Chatham, Livingstone, Gladstone, Evelyn Gordon and Brougham.—London Chronicle.

### A Hacking Cough Weakens The System.

### Wisdom.

Wisdom is not an intellectual excellence only, it is a moral excellence as well.—MacLaren.

### HIS PRISON TERM TOO SHORT

Californian Reveals That He Forged Check to Get Benefit of the Prison School.

Joseph Dietz, Oakland, Cal., chauffeur, according to his own story, passed a bogus check in order to break into San Quentin prison, so that he might "get an education."

Recently when he drew a sentence of 18 months from Judge Edgar T. Zook he was sorely disappointed.

"I wanted at least four years," he told Sheriff J. J. Keating. "A man can't learn much in eighteen months. A jail like that is just so much wasted time."

Dietz explained that he had been "going crooked" for a long time, and attributed his misdoings to lack of learning.

"I heard all about those free schools down at San Quentin," he said, "and made up my mind that I would like to fit myself for something better than driving a grocery wagon or an automobile, so I slipped over a check, expecting at the time to be caught."

Dietz is twenty-eight years old, and has a wife, and two boys, aged four and five.

### Should Sloan's Liniment Co Along.

Of course it should! For after a strenuous day when your muscles have been exercised to the limit an application of Sloan's Liniment will take the soreness and stiffness away and get you in fine shape for the morrow. You should also use it for sudden attack of toothache, stiff neck, backache, stings, bites and the many accidents that are incidental to a vacation. "We would as soon leave our baggage as go on a vacation or camp out without Sloan's Liniment." Writes one vacationist: "We use it for everything from cramps to toothache." Put a bottle in your bag, be prepared and have no regrets.—Advertisement.

### Assured of an Audience.

"The high cost of living is actually a source of pleasure to Duhalwaite." "Is he such a rare optimist?" "Oh, no. He's an amateur economist. If the cost of living were not so high nobody would listen to his theories."

### Look Good—Feel Good

No one can either feel good nor look good while suffering from constipation. Get rid of that tired, draggy, lifeless feeling by a treatment of Dr. King's New Life Pills. Buy a box today, take one or two pills tonight. In the morning that stuffy, dull feeling is gone and you feel better at once. 25c. at your druggist.—Advertisement.

### Health for Family.

A man said only the other day: "The next house that I build is going to have a sun parlor no matter if we have to leave out everything else on the ground floor but the kitchen!"

### Children Cry FOR FLETCHER'S CASTORIA

### As Heard in Butte.

Wearly Mike (at the telephone)—"Say, kin I talk to Mr. McAfee?" Central—"What is his number, please?" Wearly Mike—"Wot! Is he pinched again?"—Mountain States Monitor.

### "Nests" of Fish.

Two nests of the African lung fish described by Sir F. J. Jackson, were in a patch of coarse grass and were of circular form, about three feet across and 18 inches deep. A singular outer ring, five inches wide and an inch above water-level, seemed to have been built up with mud brought up in the fishes' mouths, and beaten down with their flat, slim tails.
